

About Us

RMI Management, LLC (RMI) is a full service property management company that has provided management and related property services to homeowner and condominium associations for over 22 years. RMI provides all of the management services necessary to operate a successful association for communities of all types and sizes.

From small neighborhood subdivisions to large master-planned communities, high-rise and condominium associations, we are your single source for full-service management. We offer on-and-off site management, support staff resources, financial management tools, a community website and advanced technology services to support the community and board members. The depth of our resources ensures your association receives a high level of support that results in greater efficiencies and streamlined processes.

Today, RMI manages 275 associations representing over 95,000 residential units. In support of these activities, RMI employs over 700 people with two southern Nevada locations and one Reno location.

RMI employees are members of and are active participants in Community Associations Institute (CAI), a national organization dedicated to fostering vibrant, competent, and harmonious community associations. In addition, RMI is a member of CAMEO, Community Association Management Executive Officers, Inc. CAMEO is a professional, non-profit organization made up of CEOs and owners of local community association management companies whose goal is to promote integrity and education within the community management profession.
